I am competitive and progressive person who desires to learn and upgrade to work efficiently every single day.

WORK HISTORY

Ecommerce website - Personal Project 1
05/2020 - 09/2020
Highly interested in e-commerce. Have created e-commerce website for gardening company. The link of the website is attached below:
http://everestmaintenance.com.au/

Build a website - Personal Project 2
10/2020 - 12/2021
Created and designed a website for Movie Zone. Final web page can be viewed from the link below:
http://infotech.scu.edu.au/~sbasne22/moviezone/
I have built a movie zone website where anyone can buy the movies DVD according to their choice.

Developed Zuul Game - Personal Project 3
01/2021 - 03/2021
Have developed and demonstrated a zuul game. Zuul game is like the games from Colossal Cave Adventure Game. I had built a game to rob a bank using bluej application.

Ventia and PBMG - Cleaner and Gardner
Sydney, NSW • 01/2018 - 08/2021
Along with my study, I was working as cleaner and Gardner. So, I have maintained a balance between work and study until I finish my bachelor.
I have worked hard and learn how to overcome every problem we have to face in everyday life.
